DID YOU KNOW?

- T.D. Jakes' 2025 International Leadership Summit will be the last in its current form for business and spiritual leaders to share their expertise on how to build, grow and uplift entrepreneurs and businesses founded in faith.
- Over the years, the International Leadership Summit (ILS) has welcomed a distinguished lineup of global leaders, including:
 - **Denzel Washington**, award-winning actor and humanitarian
 - **Nana Akufo-Addo**, President of Ghana
 - **Tyler Perry**, filmmaker and entrepreneur
 - **Wally Adeyemo**, Former U.S. Deputy Secretary of the Treasury
 - **Ambassador Andrew Young Jr.**, American politician, diplomat, and civil rights leader
- ILS 2025 will draw over **25 members of the press and top digital creators**, all set to capture and share the energy of this landmark event.
- The T.D. Jakes Foundation and Wells Fargo are actively responding to food scarcity in our nation and addressed this head on by sponsoring the United MegaCARE event feeding 7,500 people in Orlando through MegaFEAST Orlando, a massive drive-through meal box give-a-way on Wednesday, April 10, at The Kingdom Church International.
- This year's summit will welcome a global audience of nearly 3,000 attendees, with representation from countries worldwide. The top four countries participating are the United States, South Africa, Canada, and the United Kingdom.
- International Leadership Summit reflects T.D. Jakes' vision and ongoing commitment to investing in leaders. His past initiatives include Project Gideon, Pisgah, and Pastors & Leadership Conference. Next year, a new platform will engage leaders of all kinds that deepens the impact and redefines engaging with leaders worldwide.
